## BAHAMAS TOURIST OFFICE

CORAL GARLES, FLORIDA S TELEPHONE (SOS) #42-46

EXPLANATION FOR THE BREAKDOWN OF RECEIPTS.

Payments on behalf of all U.S. Bahamas Tourist Offices are made from the Accounting Department located in Coral Gables, Florida. The actual breakdown of receipts from The Bahamas would be the same as the breakdown of the disbursements. The Bahamas Treasury has provided the B.T.O. with a working float. Payments are made against this float and at the end of each week a summary of the disbursements is prepared (by account eg. salaries, rent, transportation, etc.) and sent to the Ministry of Tourism, Nassau. The Ministry in turn sends these Reports to the Treasury requesting reimbursement. Reimbursement checks are forvarded to the Miami Accounting Department as they are received. The amount of reimbursement checks (receipts) received for a given period (eg. January-June, 1990) would be less than the amount of actual disbursements for that period since reimbursement chec are sometimes received a month or more after reports have been submitted. The float allows us to continue day-to-day operation in such cases.
